KRISTALLIEN RIPUSTUSJÄRJESTYS / KRISTALLERNAS
UPPHÄNGNINGSORDNING / THE CRYSTAL HANGING ORDER

A B C C B C A B C B C A C B A C A B B C C B A C B B C C B C A C C B A

A= pitkä / lång / long

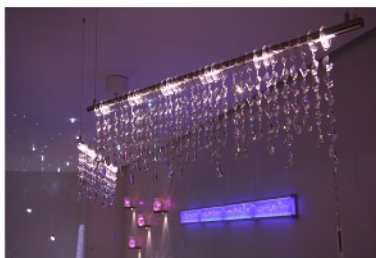

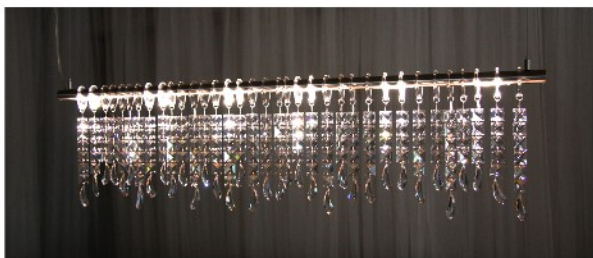

B= keskipitkä / medel / medium

C= lyhyt / kort / short

HUOM: Ripusta kristallit molemmilta puolilta teräsputkea, jos haluat että kristallikruunu näyttää asymmetrisemmältä. Muuten kaikki päätykristallit roikkuvat samaan suuntaan. Se on, tietysti, ihan oma päätöksesi!

OBS: Häng kristallkedjorna lite turvis från båda sidorna av stålröret, om du vill att kristallkronan ska se mera asymmetrisk ut. Annars kommer alla ändkristaller att peka åt samma håll. Det är förstås helt ditt eget beslut!

NOTE: Hang the crystal strands from both sides of the stainless steel tube, if you want the look of the chandelier to be more asymmetrical. Otherwise all the end crystals will point in the same direction. It is, of course totally up to your own taste!
